

COUPLES DUPLICATE BRIDGE

John Kluesener

Couples duplicate bridge meets on the 3rd Wednesday every month for a fun evening of bridge at one of our members' homes starting at 6:45 for a short social and games start at 7 PM, ending normally by 10 PM. It's made up of 6 couples, but we often need a substitute couple due to travel and conflicts. This is a program that has been going strong for many years. We are pleased to have two Sir Widows who were original couple members continue with the group (as a couple). The host provides wine, soft drinks, coffee, and normally a small array of snacks. Participants put \$2 per couple in the pot which is then paid out to the top three couple point earners at the end of the evening. Currently, we have a full complement but are always interested in substitute couples. If you wish to be on the sub list, please let me know
