

Dining Out

Al Guzman

Bob Lucido

The Dining Event will occur every other month at a nearby restaurant. This event includes socializing and then enjoying a delicious dinner with your fellow SIRs and their significant others. A set menu will be created with an appetizer/salad, main, and a dessert. This activity is a co-ed activity. The Dining Out committee will plan for a separate room or an area of the restaurant to optimize the social aspect of the activity. The event will start with a social hour that includes a no-host bar. Depending upon the restaurant, we will plan to take advantage of Happy Hour offerings during the social hour.

Dining Out notices will be sent to all SIRs, giving everyone a chance to sign up. The fixed cost is negotiated with the restaurant ahead of time, as well as the fixed menu choices. Your advance payment to Bob Lucido (Co-Chair) will reserve your seats. You will be requested to communicate your food choices, when you send your money in. The diner limit is driven by what the restaurant can comfortably accommodate. To assure you that you can attend, we advise that you send in your money and food choices soon after receiving notification. This event may sell out!
