

OLD MONEY POKER CLUB

Brad Hatcher

We meet on the first Thursday of the month at 12:00 PM and play for about three hours. Our seven regular players rotate hosting the game at their homes and provide beverages and snacks for the players. The Cost to enter the game is \$10; bets are nickel, dime, and quarter with a maximum bet of 50 cents and a maximum of three raises. It is a great way to spend an afternoon with good friends.

We are looking for substitute players.
