

THEATRE / TRIBUTE BANDS

Glenn Breslin

Three or four times each year we will schedule an SIR 146 Theater Event. It's a great way to spend an evening with your spouse, other SIR146 members and your guests. This group will also schedule musical shows, as they are also very popular.

For those wanting to share a meal before or after the show with others, I will schedule an optional pre-show or post-show dinner at a nearby café or restaurant. This group will prioritize show events at the Leshar Center in Walnut Creek as it is convenient and reasonably priced.

Please look for SIR Call updates, Eblast email messages and Luncheon announcements. I look forward to sharing show events with you !!
