

# SIR CALL

November 2005

Pleasant Hill SIR Branch 146

Published For Our Members And Friends

Volume 17 Issue 11

## Big Sir's Notes

Many thanks to **Bob Burley** for a job well done in October. With many of our Executive Board members out of town, **Bob** gave the Little Sir report and took the minutes at the Executive Board meeting. During the regular membership meeting, **Bob** helped in the introduction of guests of members, led the birthday drawing, and introduced our speaker for the regular meeting day.

Be prepared for a busy, busy meeting in November. We will have our traditional Veterans' Day program and songs from the Songsirs. We will also be inducting the first ten new members into the Branch since none were installed in October.

The Executive Board passed a motion to put a moratorium on new member applications until the evaluation of our thirty additional members is completed.

So good to see **Owen Sullivan** back as an active member and already singing with the Songsirs. Remember to get your reservations in for the December Ladies Day luncheon.

Speaker **Tom Ehrhorn**

Commissioner of the North Coast Section of the California Interscholastic federation

## Bowling

### **Larry Mitchell**

It's early in the season, but after six weeks there are a couple of bright lights in a rather dull start by Branch 146 bowlers. **Cal Jones** has a league-leading high handicap game of 279. **Larry Mitchell**'s high scratch game of 246 is second highest in the league and his 194 average is in the top three. There are two tournaments in November. The **Bill Tisdall** Memorial is at McHenry Bowl in Modesto on Wednesday, November 2 and Friday, November 4. Entry deadline for this tournament is November 1. The Branch 19 Tournament is at the Clayton Valley Bowl in Concord on Tuesday, November 15 and Thursday, November 17. Entry deadline for this tournament is November 10. Because this is a local tournament, we encourage all bowlers to support it.

## **Bocce Ball**   **Bob Frankland**

*2nd and 4th Mondays at 9 am March through November except May 26 (Memorial Day) at Concord Bocce Courts in Newhall Park, Concord near the corner of Turtle Creek and Ayers Rds.*

We are getting a good turnout. There is always room for more. We will be playing through November. Rain cancels.

## Little Sir's Corner

**Garth Cummings**

The speaker for the November 10 luncheon meeting will be **Don Merucci** from the USS Hornet speakers' bureau. The USS Hornet is a state and national historic landmark moored at Alameda Point on San Francisco Bay. The current Hornet participated in World War II and the Apollo 11 manned space mission. **Don** will be discussing these activities and other historical facts about the Hornet.

## Cooking and Social

Don Nunn

1st Monday at various members' homes.

We met at the home of **Sir Frank Mandic** on the 3rd of October for wonderful feast of pasta. It was preceded with some wine and some super planning by our group for next year.

**Sir Frank** then seated us for a great salad, followed by wonderful stuffed and rolled pasta filled with delightful and very tasty meat stuffing. The sauce was flowing and succulent with goodies. It is great to be alive and with good friends.

The Dinner Dance was once again filled and oversold with good people. We had 117 folks and enjoyed good fellowship, great dancing and good food. Thank you all for a great experience and your attendance and fun.

We are presently planning our next dance for Wednesday, March 1. Check your calendar and get your dancing shoes on. Hope to see you in 6 months.

## Garden Club

### Chuck Bobinecz

1st Thursday at 9:30 am at the Walnut Creek Presbyterian Church, 1801 Lacassie Ave. Room 305, unless otherwise announced.

For our November meeting we will have a speaker who is a physical therapist, **Janelle Gonslaves**. Her presentation will be about "gardening body mechanics" how to do it and how not to do it. You would think we should know by now how to do it but I am sure she will give us some new insights. As a reminder, our meeting will be on Thursday, November third, at our new meeting place that is: The Walnut Creek Presbyterian Church, 1801 Lacassie Ave. At our December first meeting, **Sir Don Nunn** will speak on the topic of "square foot gardening".

It is surprising what can be produced in a small space. Garden tip for the month of November: Put your spring bulbs in the refrigerator (not the freezer) for four to six weeks prior to planting. Bulbs need these chilling requirements for bigger and better plants and flowers.

## Away Golf

### Jim Baldridge

Congratulations to the winners of the Oct 6 Br 146 SIR Scramble. First place went to the team of **Sheerin, Baily, Cook and Bolton**. Second were **DeVoe, Weinberg, Johansson and Milano**; third were **Hanford, Rockwell, Harvey and Madge**. Fourth were **Calloway, Demos, Jansen and Lamanna**. Fifth place went to **Vincent, Nordstrom, Hallett and Chavez**. **Bob Madge** had the shots of the day with two chips-in for birdies. Of the 44 player field 20 finished in the money. Many thanks to **Dick Richmond** who worked through the index list and set up all the teams so that there was less than a two stroke difference between the team with the lowest and highest handicap. Also thanks to **Dennis Hallett** who helped gather the prize funds, distribute score cards and get the groups started. Sunol/Cypress Course is our November venue. The date is November 17; start time is 9:30am; cost is \$37 for SIRS competing in the prize fund, \$35 for guests. The course has included prize funds good at their pro-shop so plan to stay around for the tournament results at the course in case you win big. Questions Jim Baldridge 925-689-9232 Dick Richmond 925-947-1167.

## Fishing

### Sal Costanza

4th Thursday at 8:30 am. at Diablo Creek Golf Course (Legends Grill). North Port Chicago Highway. Salmon are starting their spawning run up the Sacramento River and its tributaries. Also, stripers are becoming very active. We will be setting up trips to intercept these "most wanted" fish at our next meeting. There will also be a report on the Eagle Lake fishing trip. This annual trip gets better every year. There will be some great stories from those who attended. If you're any kind of fisherman you won't want to miss our next meeting.

See you there!!!

## HEARTENING NEWS ABOUT BEER

Beer lovers, take heart: Two recent studies suggest a brew a day may help prevent heart attacks. Researchers randomly assigned male heart patients to drink 12 ounces of either beer or mineral water per day. After one month, the following heart-protective changes had occurred in the blood of the beer group only: Levels of "good," artery-clearing HDL cholesterol and of artery-protecting antioxidants each increased. The "bad," artery-clogging LDL cholesterol decreased. And both the amount and activity of fibrinogen, a protein that promotes heart-threatening blood clots, declined. The researchers attributed those benefits to two substances in beer: alcohol and a group of antioxidants called polyphenols.

In the second study, researchers found that men who drank any type of alcohol three or more days per week had one-third less heart-attack risk during the 12-year study than those who seldom or never drank. Beer and liquor were linked more strongly than wine with reduced risk.

Those studies do not prove that beer is the best drink for your heart. Red wine has more polyphenol than beer or liquor, and previous studies differ on which drink protects the heart best.
