November 2007

Pleasant Hill SIR Branch 146

Published For Our Members And Friends

Volume 19 Issue 11

**Jim  
Stedman**

## Big Sir's Notes

On Tuesday, October 16, 2007 the City of Walnut Creek entered into a lease agreement with Joroda Inc. (dba Sunrise Bistro/Catering) of Walnut Creek to operate the Boundary Oak food service facilities for at least 18 months beginning January 1, 2008. I have asked Little Sir **Jeff Baily** to negotiate a contract with Joroda Inc. on behalf of Branch 146 for 2008. At this time we don't expect any change to our contract with Blakes for November and December of 2007.

I urge all new members to participate in the activities of the Branch. If you need help connecting or have a suggestion for a new activity, please contact **Dick DeVoe**, Activities Coordinator, at 932-5546. The newest activity, the Book Exchange Group, led by **Terry Marchionne**, is off to a good start. Our monthly Guys Dine Out is into its third month, 9-hole golf continues to be a great success, and the Explore & Dine start-up was well received.

Branch 146 now has beautiful high quality 100% cotton golf towels in black and red with the name SIR 146 and the Rooster on them. **Joe Barry** obtained them from his son who owns a weaving company. **Joe** is selling them at his cost of \$7.50 each. These towels are, of course, made for golfers, but they are so well done that others may wish to have one. **Joe** will have them on display at the luncheon meeting.

Remember that our friends and acquaintances are potential members who would benefit from SIR as you and I have. Bring a guest to lunch. Sponsor a new member

## SongSIRS

### Harry Tutton

November is a time of Thanksgiving and the SongSIRS would like to give thanks for all the great SIR activities that all of us in SIR Branch 146 have enjoyed this year. Remember the old Bob Hope song, "Thanks for the Memories"? Well, **SIR Don Nunn** has written new words for that song and the words comment on all our SIR activities. So, at the November SIR Luncheon, the SongSIRS will be singing the SIR version of "Thanks For The Memories". Hope you enjoy **Don's** lyrics!

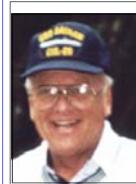

Thanks - **Harry Tutton**, Chairman SongSIRS

**Jeff Baily**

## Little Sir's Corner

The speaker at our November Luncheon will be **Gary Villalba**, CCC Veterans Services Officer. Gary will talk about the facilities and services available to assist veterans

## Social      Don Nunn

Our 19th dinner dance was a huge success. Everyone appeared to have a great time. Much dancing was done and we hope to elect someone to go on the "Dancing with the Stars" television show.

Many thanks to the many folks for their help and hard work. **Ron Binder, Al and Joan Zamolo, Dale and Joanne Haukland** helped to set up the tables and bar.

**Bill and Sandy Hansen** served as greeters for the 19th time. And the San Francisco gang (**O'Sullivan, Del Bene, Strong and Sheerin**) are always great. If you need any help, Call them.

Also all of the volunteer bartenders. The only complaint we had was that they had a heavy hand while pouring.

One of our buddies, **Orlo Jones** had a slight problem, but the firemen and medics swept him to John Muir and he was fine the next day.

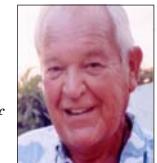

Mark your calendars for the first Wednesday in March of 2008.

On March 5th we will have our 20th dinner dance celebration. Plan on being there.

## Bocce Ball

## Table Pool

### Bill Weinberg

1st and 3rd Monday at 11:30 am.  
(at Masse's 2721 N. Main, Walnut Creek)

The Table Pool Club met on the 1st of October and had a fine turn out.

We had 3 tables of 8 Ball with 2 man teams. Some new faces are showing up, especially from Branch 8 and looking forward to seeing more.

Remember the 1st and 3rd Monday of the Month at Masses.

## Area 2 Computers and Technology Group

**PHIL GOFF**, Chairman, 831-3692, philgoff@yahoo.com  
**DICK CURRY**, Asst. Chairman, 376-5541, racorinda@pacbell.net

*Meetings of the Area 2 Computer and Technology Group are held the 3rd Thursday of each month (except June and December) from 9:00 to 11:00 a.m., at the Walnut Creek Elks Lodge, 1475 Creekside Drive (just off South Main.)*

**Thursday, November 15**, we will have two presentations -- one on running dual operating systems on your computer and one on making fun photo gifts for Christmas.

**Floyd Skelton** will show how to run both Vista and Win XP on your computer. He will give an overview and demonstration of two ways of doing so. (1) Microsoft's Virtual PC (free software) and (2) partitioning your hard disk and installing both systems, creating a "dual boot" system. Next, **Phil Goff** will show how to upload your photos to online galleries such as Snapfish, Shutterfly or Kodak. He will demonstrate how easy it is to create calendars and other items as Christmas gifts for your family.

Following the Panel presentation, **Dick Curry** will lead an informative Computer Q&A session.

Whether you are a beginner or a seasoned user, we try to offer something for everyone. We serve coffee and pastries and all SIR members and their guests are welcome.

## Cribbage

### Al Tufo

Cribbage Club is beginning to get in full swing for our tournaments. We were able to get in two hard fought tournaments last week. Cribbage was hosted by the Dublin Kid **Larry Reilly**. The first game was won by **Dan Meckfessel**, with **Howie King** coming in second. After some nice refreshments and coffee, we started another game. **Dan Meckfessel** also won again, with **Larry Reilly** placing second. Now enough is enough. It's bad enough that I have a h-1 of a time spelling his name. In this case I have to do it two times. Next month Cribbage will be hosted by I haven't played in 200 years **John Pearl**, on November 14, 2007, starting at 12 noon.  
**CIAO TUFO**

**Sir Don Nunn**, our speaker, will describe how he grows, dries and uses herbs (the legal ones).

Garden tip of the month: Plant bulbs that will return on their own. Dwarf daffodils, and short tulips come back more dependably on their own and won't blow over during spring rainstorms.

## Health Matters

### Physical and Mental

### Do brain calisthenics really work?

As we grow older, we cannot help noticing that our brains don't work as well as they once did. We forget things, including names and keys and sometimes appointments. We wonder how much worse it's going to get. The aging population has become a prime market for "brain calisthenics" programs and other mental workouts (as well as a plethora of useless and occasionally dangerous supplements, hormones, vitamin cocktails and diets). Can "use it or lose it" really be applied to mental ability?

Maybe, but experts counsel caution. Dr. **Timothy Salthouse** at the University of Virginia says, "I would urge people to be skeptical about claims from commercial programs because there is still very little scientific evidences establishing they are effective. Research on such training usually focuses on short-term effects. Still, no one can say that mental exercise is beside the point.

The longest and one of the best studies of mental activity and aging found not only that training can help adults over 65 make improvements in memory and problem-solving, but also that improvements could still be seen (via objective testing) five years later.

Other research has also yielded hopeful results. A UCLA study of older adults with memory problems found that mental training, such as doing puzzles and solving brain teasers, led to measurable improvements if the subjects also followed a healthy diet and got some exercise. A Stanford University study found that memory training might slow down mental decline in older people.

### A plan for staying sharp

If you follow the tips below, it's a good bet you will feel better, function more effectively and enjoy life more.

- **Make self-education a lifelong project.** Read, take a class, do puzzles, play intellectually stimulating games, Pursue an absorbing hobby.
- **Get some exercise daily.** Regular activity provides your brain with a better blood supply.
- **Get adequate sleep.**
- **Stay in touch.** Volunteer, join a group, get involved and travel with companions.
- **Treat depression.**
- **Eat well.**
- **Get checkups.**
- **Drink alcohol in moderation**, if at all.
- **Don't smoke or use tobacco in any form.**
- **Don't waste your mental energy on the claims of "anti-aging" dietary supplements and potions.**

## Poker Club #1 Frank McNamee

Bill Cammerer hosted our monthly gathering and Howard Harvey finally figured out our secret code --one is low and two is high--. Consequently he took home the lions share of the winnings with John Lewis and Bob White taking home lesser amounts. Our next session will be at **Howard Harvey's** residence on Nov. 7th while I'll be crossing the Atlantic on the Wind Surf and **John Lewis** will report on the outcome of that gathering.

## Poker Club #2 Al Zamolo

**Ken Kratz** hosted the September session of Poker Group 2. Members were so good to Al Zamolo that with his luck and skill he became the biggest winner thus far in group 2. The October meeting will be held at **Bob Royster's** on Monday, October 29th.

## Poker Club #4 Chuck Bobinecz

**SIR Garth Cummings** will host our October 22nd poker session.

The name of the game is poker. The poker games are all related, yet no two games are exactly alike.

**Sir Dick Richmond** is still home recovering from surgery. He will soon have a knee replacement and then back on the golf course. He says he is behaving himself and wishes the time to go by faster.

Former charter member **Sir Hal Rodgers**, who moved to Eugene, Oregon, is recovering from cancer surgery. He is doing well.

**Sally Burley** wife of **Sir Bob** will be going into the hospital for a second surgery on her back, October 17th. She is expected to have a full recovery.

A man in Phoenix calls his son in New York the day before Thanksgiving and says, "I hate to ruin your day, but I have to tell you that your mother and I are divorcing; forty-five years of misery is enough.

"Pop, what are you talking about?" the son screams. We can't stand the sight of each other any longer," the father says. "We're sick of each other, and I'm sick of talking about this, so you call your sister in Chicago and tell her."

Frantic, the son calls his sister, who explodes on the phone. "Like heck they're getting divorced," she shouts, "I'll take care of this," She calls Phoenix immediately, and screams at her father, "You are NOT getting divorced. Don't do a single thing until I get there. I'm calling my brother back, and we'll both be there tomorrow. Until then, don't do a thing, DO YOU HEAR ME?" and hangs up. The old man hangs up his phone and turns to his wife. "Okay," he says, "they're coming for Thanksgiving and paying their own way."

## Cooking

### Dave Johnson

*1st Monday at various members' homes.*

We all try to arrive early at **Don Nunn's** house for two reasons: 1) he always does a great job and 2) we like to monitor the amount of wine that is used when he cooks. After passing two breathalyzer tests, he started us off with a great selection of deli meats and cheeses. Then, he served a superb French entree of chicken braised with bacon and potatoes. He accompanied this with a salad containing mixed greens, peppers, onions and his special herb dressing. Dessert was a generous dish of crème glace, topped with a wedge of chocolate pastry. At the end of the lunch, everyone was speaking French fluently but only one member could touch his nose with his eyes shut. Next month is Ladies Night.
