

## Big Sir's Notes

**Dennis Hallett**

With Thanksgiving and Christmas rapidly approaching it is hard for me to believe another year is almost over.

Branch 146 has met many challenges this year and thankfully, we have come through unscathed. Our membership level remained constant for the majority of the year and we are very pleased to welcome the "Class of 2010" new members. Their sponsors deserve our praise and we thank them for their contribution.

As Big Sir 2010, my year in office is drawing to a close. I have enjoyed working with the members of the Branch Executive Committee and found their counsel very rewarding. I also wish to thank those members who attended the monthly BEC meeting and the advice they gave while debating what is best for the Branch.

Branch 146 is financially healthy and always looking for ways to expand the list of activities to satisfy our members. We must stay focused, welcome guests and members and continue to have fun.

I am confident the 2011 Officers and Directors, under the leadership of **Pete Gates**, will continue to manage our Branch in everyone's best interest.

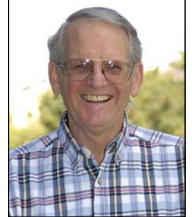

It has been an honor to have served the members of Branch 146 as their 2010 Big Sir.

## Little Sir's Corner

**Pete Gates**

Our program for November will focus on Veterans and will be conducted entirely by Branch 146 members:

A special **Invocation** will honor all vets, those who gave their lives and those still missing in action.

Our **Song Sir** will perform a selection of numbers including a medley of the Armed Services theme songs.

Sir **Lyn Freeman** will give a presentation about "Korea...Sixty Years Later" based partially upon his recent trip there.

Be sure to join us as we honor our current and past members of the United States Armed Forces.

Pete

## MEMBER RECRUITMENT AND RETENTION JACK CALLOWAY

We are pleased to welcome new member **Ed Marlovits** sponsored by **Steve Sprague**. So far this year we have inducted or reinstated 20 members which is close to the number we have lost. We will have the free lunch drawing for new member sponsors for the months of July through November at the November Luncheon.

Recruiting Tip: Give a copy of the SIR CALL to prospective new members to show them what we have to offer in our Branch.

At the November Luncheon you will be asked to complete a short Member Survey. This is your opportunity to give input on how we are doing and make suggestions on ways to improve Branch 146.

## Duplicate Bridge Terry Marchione

*Our match is held each month  
on the Monday after the SIR luncheon at  
various homes. Bring your lunch*

Sir **Jim Stedman** hosted our October game with four tables of duplicate bridge. Several regulars were not able to play but the substitutes filled in admirably.

Sir **Doug Eisner** dusted the field with a score of 42 points. Sir **Joe Barry** won the battle for second place with a score of 40.5. Sir **Fred Bolton** (40 points) and Sir **Jim Stedman** (39 points) rounded out the top 4 places.

I would like to thank Sirs **Doug Eisner**, **Joe Barry**, **Tom Thomson**, **Chuck Hammond** and **Dick DeVoe** for answering my call for additional players. We also wish a speedy return to Sir **George Zurich** and Sir **Bob Donahue** who have been sidelined due to illness in their family.

The next game will be held on Monday November 15th at Sir **Terry Marchione's** home. Contact **Terry Marchione** (terrymarchione@yahoo.com) for information.

## Couples Duplicate Bridge Too Dick De Voe

Couples Duplicate Bridge Too met at **Joe and Josie Barry's** home on Tuesday, October 12. As usual, a fun time was had by all and bridge took second to the social conversations. After a couple of months of showing some sympathy to the rest of the group, **Lynn and Dasha Freeman** regained their winning form and came in first. The **Barrys** were second, closely followed by **Jim and Ruth Adams**. **Dick DeVoe** claimed he was trying a new bidding system but he forgot to tell his partner, **Christy**. He now has a full month to clue her in on the secret system as the next meeting will be hosted by the **DeVoes** in November.

## Party Bridge Fred Bolton

*1st Monday at 10 am at various  
members' homes. Contact  
**Fred Bolton** for details.  
Bring a lunch*

We played three tables of bridge on Oct. 4 at the home of **Jim Steadman**.

First place went to Jim Jackson with 5500 points, second to **Bill Snyder** with 5320 and third to **Jim Brown** with 4600. Our next game will be at the home of **Fred Bolton** on Nov 1.

## Couples Duplicate Bridge Lo McCarley

*Meet the 3rd Wednesday of each month  
starting at 7:00 pm at participants' homes.  
Couples play as partners.*

Six couples had a great time playing duplicate bridge on October 20<sup>th</sup> at **Carl and Anne Johnson's** home, but the group missed **George Zurich** and his wife **Tamara Judson** who is recuperating from cancer surgery. Everyone hopes they can return to the group soon. As for bridge results: **Carl and Anne Johnson** took first place with 22 points. **Jim and Allison Todhunter** tied for second with **Lynn and Dasha Freeman** with 21 points. **Jim Brown** will host the next bridge party on November 17<sup>th</sup>.

*1st Thursday at 9:30 am at the Walnut Creek Presbyterian Church, 1801 Lacassie Ave., in the Room 203, unless otherwise announced.*

For November, sir **Bill Hanson** has arranged for the Garden Club to meet at the Navlet's Garden Center, 9:30am, 2895 Contra Costa Blvd in Pleasant Hill. We will have a presentation on new garden products and plants for the garden by an employee of the Garden Center.

Our December meeting will feature Sir **Lew Meyer** who gives a presentation on weeds (an unwanted plant). Some are difficult to control but **Lew** will give us some tips.

Garden tip of the month: Fertilizer in an open package can absorb moisture which destabilizes the product, triggering a heat-producing chemical reaction that can cause the package to ignite. Keep the bag of fertilizer tightly closed or in a metal container.

## Software for Sale

If you have Vista, you really need Windows 7.

Fortunately, the branch has Windows 7 to sell. The branch bought it at Fry's, but couldn't use it. It's still in the box.

## Area 2 \$ums In Retirement

### Allen Espenmiller

The Area 2 \$ums Investment Group will meet on Wednesday November 17 (third Wednesday instead of the fourth this month) at 8:00 AM at the Diablo Creek golf club, 4050 Port Chicago Highway in Concord. Our speakers will be members from the Dollar Devils Investment Club (DDIC) in Walnut Creek which is made up of SIRs in our area. They will discuss the concepts, resources, guidelines and procedures they use for selecting stocks for the Club's portfolio. They will also share the benefits and knowledge they have learned over the last 10 years the Club has been in existence.

The DDIC is affiliated with a nation-wide organization of over 35,000 investment clubs called Better Investing (formerly the National Association of Investors Corporation) which provides them access to many resources, publications and educational seminars that might not be available elsewhere. The DDIC and its portfolio were recently featured in Better Investing's National magazine for investors. Additional information can be found at the web site, [www.betterinvesting.org](http://www.betterinvesting.org).

An investment club can be an enjoyable as well as educational experience with positive financial results. This should be an interesting presentation especially to those who make their own investing decisions or do not use a full service broker.

The restaurant at the golf course opens at 7:00 AM for those who would like to enjoy breakfast with your colleagues.

## Fishing

Paul Dubow

4th Thursday at 8:30 am. at Diablo Creek Golf Course (Legends Grill). North Port Chicago Hwy

Little SIR **Pete Gates** led a group of us on a guided trip to the Klamath River to fish for salmon in late September. The weather was unusually warm for that time of year, the scenery was beautiful, and we were rewarded with eight good sized king salmon. We fished with premier guide **Kevin Brock**, who will be our speaker at the December meeting. The group, in addition to **Pete**, consisted of **Tom Boltz** and **Paul Dubow** of Branch 146, each of whom boated 15 pounders, plus **Bob Olson**, **Karl Droese**, and **Joe Miscione**. A picture of **Tom** and his salmon is attached. **Tom** had a good month indeed. In addition to the aforementioned salmon, **Tom** caught a large striper while fishing with **Mario Mauritorio** and **Joe Miscione** in Montezuma Slough on one of our group outings. And, earlier in the month, he journeyed to Lake Davis with **Craig Walton** for a two day trip and caught over twenty rainbow trout, virtually all of which were released. **Joe Karg** and two of his sons fished the Seagull 2 on a party boat trip to the Farallon Islands, where they caught five ling cod and some very large rockfish. But the best part of the trip for **Joe** was that one of his ling cod earned the jackpot and so he returned not only with a nice catch but with some extra change in his pocket. **Joe** also caught a keeper striper and five small sturgeon, fishing with **Carl Moyer** in Suisun Bay. Another member of our group who enjoyed a good month was **Joe Peterson**. **Joe** savored several outings on the Sacramento River, catching seven stripers on one of them, and then he traveled to June Lake in the eastern Sierra where he caught quite a few trout. **Carl Moyer**, who rarely passes up an opportunity for angling, made six trips in his boat out of Pacifica, catching a bevy of rockfish each time. **Harry Sherinian** joined **Carl** on some of the trips and he also caught a 50 inch sturgeon fishing with **Carl** in Suisun Bay, to nearly match a 51 incher that **Carl** caught the day before. **Carl** and **Mario Mauritorio** also set out for sturgeon on another occasion. No sturgeon were landed, but **Mario** brought home a tasty striper.

All SIR members are welcomed, indeed encouraged, to participate in fishing trips as well as attend the

monthly meetings. Indeed, we are about to prepare our 2011 calendar and if some of you who have yet to join us have a favorite spot that you like to fish and you want some company, let us know and we will add it to our group outings for next year. Our next meeting will be on Thursday, November 18, at the Legend Sports Bar and Grill at the Diablo Creek Golf Course at 4040 Port Chicago Highway in Concord. The meeting starts at 8:30 am, but come earlier and join us for breakfast. For further information, call **Paul Dubow** at 415-495-6504.

## Lunch and Wine Group

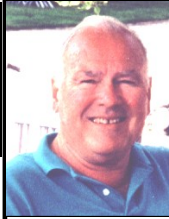

**Paul Dubow**

**Vince Rettew** was the host for our September luncheon. The attendees are still raving about his bean soup. And all of us discussed the state of the world as we also enjoyed the different wines that each member brings to the lunch.

In October, we held our semi-annual dinner with our wives. This time, La Finestra, a Sicilian restaurant in Lafayette, was the venue. The group enjoyed antipasto, a mixed salad, and a choice of entree consisting of either sogliota alla piccata (sautéed sole in lemon caper sauce), chicken marshallese, or porchetta al prosciutto crudo (thinly sliced pork tenderloin with prosciutto). All of this was topped off with an excellent tiramisu.

This will be the last report of the year as our custom is not to meet in November and December and save room for dinners with our families on Thanksgiving and Christmas.
