## Big Sir's Corner Bob Ford

The November luncheon is probably my favorite one of the year as we pause to think about the significance of Veterans Day. In SIR, we are privileged to have many veterans who served in the Army, Navy, Air Force, Marines, and Coast Guard. Whether they

served in times of war or peace, at home or abroad, their contributions have helped shape the nation we cherish today. Veterans Day is not only a moment to recognize their service, but also to acknowledge the broader legacy of the U.S. military. To our veteran members: thank you. Your stories, your leadership, and your example enrich our club and inspire us all. We are grateful for your service and proud to stand beside you. I hope to see you all at the November Luncheon. The Mission of SIR is Make Friends For Life. Remember, your friends and acquaintances need not be retired to join.

Warm Regards.

**Bob Ford**

## Little Sir's Corner Thom Degman

For our November Veteran's Day Monthly Luncheon, we are very pleased to have SIR146 Member, and former Top Gun Pilot, Mr. **John Elstead**.

**John Elstead** was born in San Bernardino on Veterans Day in 1942 and was raised in Riverside. Both his father and uncle were B-17 pilots who were shot down and killed during World War II.

John graduated from Ramona High School in Riverside and then enrolled at UC Riverside where he earned a Bachelor of Arts in political science and Bachelor of Science in physics and played football, rugby, and track. He later earned a Master of Arts in US history from Princeton.

After graduating from college, **John** became a Navy Fighter Pilot. He flew 196 combat missions in Vietnam, flying F4 Phantoms off the USS Kitty Hawk. He was on active duty from 1965 to 1970 and then flew A7 Corsairs with the Naval Reserve from 1970 to 1976. John still is a private pilot and holds an air transport pilot certificate.

Following his active naval career, **John** entered Boalt

Law School at UC Berkeley and earned a Juris Doctorate degree. He was granted a teaching fellowship after his second year and during his third year he taught both human rights law and the law of armed conflicts at the Institute of International Law in Pisa, Italy where his students were Italian law and history professors. He was self-employed as an attorney from 1974 to 2013.

**John** lives in Piedmont, CA. He has one daughter, Logan, a graduate of Northwestern University. **John** is interested in cosmology and theoretical physics, and he also enjoys scuba diving, having earned a divemaster's certificate. He took up golf in 2012.

For our Ladies Day Luncheon in December, we are very pleased to have the Devil Mountain Chorus returning to entertain us with holiday music. I very much appreciate the efforts this year of The Speaker's Committee **Jim Pope, Glenn Breslin** and **Jim Crites**, who made it their mission to find interesting and informative speakers for our luncheons. We look forward to continuing that effort in 2026, and we would appreciate any suggestions that you may have for interesting speakers.

Our CPR Training Class on Friday, Oct. 24<sup>th</sup> is full, but we can always fit one or two more in if needed, so please let me know if you'd like to join. This will be our 5<sup>th</sup> class, and we have now updated more than 110 individuals over the past year on current CPR techniques. If one person is positively impacted, we will be very pleased. These are excellent coed training exercises, and we encourage you to join in! It is also a nice way to introduce friends to SIRs!

I want to encourage members to get involved in making SIR the very best it can be. The more contribution we have from our members, the better SIR146 will be. If anyone would like to assist on the Recruiting Committee, planning and executing on new member recruitment activities, please let me know. This will be a key activity in 2026, and our objective is to make SIR146 the very best that it can be.

Our branch is testing a new option to pay for lunch in advance using Zelle. Most US banks offer this service free to their account holders; all you have to do to start using it is to sign up with Zelle using your cell phone number or email address.

Of course, you can still pay with cash or check at registration, or by enrolling in our Annual Payer program.

To sign up for Zelle, scan the QR code below with your mobile phone. You will be guided through the process of opening your Zelle account and linking it to your bank account. You most likely can also activate and create a Zelle account from the Zelle application within your bank's website or phone app.

Once you've enrolled, please send your Zelle payments to [sir146.treasurer@gmail.com](mailto:sir146.treasurer@gmail.com). Please complete your reservation and Zelle payment by noon on Friday, the week before the luncheon. Please note that we cannot accept Zelle payments at the luncheon itself; only cash or checks will be accepted at that time. Also, Zelle payments are for the upcoming luncheon only and should not be used to pay for future events. Finally, if you are using your bank's scheduling feature, be sure your Zelle payment is scheduled for delivery before noon on Friday.

OK, so you now have your financial institution's app on your phone and have set up your Zelle account with them. Let's make it "easy, peasy" to use Zelle to pay for your lunch... and if you are going, to this month's couple dining out!

All you need to do is scan the above Zelle QR code from within your institutions banking app, fill in the amount of the event and click send. It doesn't get any easier than that!

A word of caution however, this is a brand new feature within Zelle and it appears that, although it shows up for all banks, some banks seem to be having problems implementing it. I [editor] have two Zelle accounts and I'm currently 50/50. This works with my credit union but has yet to work with my bank. If you have problems reading the QR code, understand that it does work, and you need to work with you financial institution if you find it isn't working there.

## Editor's Ramblings Clint Collier

Halloween is soon a memory and we have a winner in my contest in last month's SIRCall; someone who found the hidden "Easter Egg" I had put in the October issue. Curious as to whom? Well you will have to come to the November luncheon when he will receive his treat to find out whom.

Zelle is here! Did you read the article on page 4? Last month we notified you of how to use Zelle with your bank/financial institution. Some of you have started doing that and this month the Couples Dining out is joining the "group" by accepting Zelle payments! So... to make it easier for you to use this form of payment we will start publishing the Branch 146 Zelle QR code. Ready to pay?

- Log into your financial institution on your phone
- Navigate to the Zelle section and select send \$
- You will see a "Scan QR" or similar; select it.
- Fill in the amount, and add any desired comments
- Select Send! You've done it. Congratulations!

Be warned: the cut off date for SIRCall submissions for December comes early in November because of all of this activity. We want to get everything in by noon on the 18<sup>th</sup> because we, like you, have a date with a turkey later this month!

# Wow! Great Event!

Bob Wilkenfeld

Fifty-four members and their guests gathered at the Hanna Picnic Area of Old Borges Ranch for the second annual Sir 146 Picnic. Many folks came early and stayed late to enjoy each other's company. The weather was great, and the food was even better - barbeque by Kinders. There was so much brisket, chicken, ribs and sides to eat that, even after second servings, we ran out of take-out containers before the food was gone! But nothing went to waste, as improvised (at times very novel) take-away containers were found.

My thanks to the other members of this year's Picnic Committee - Glenn Breslin, Bruce Borgman, Bob Lucido - for their help in planning and hosting another successful event!

"Highest Rating!  
A white-knuckle thrill!"  
San Francisco Chronicle

The second longest play in the history of London's West End, The Woman in Black is the chilling theatrical event that has kept over seven million theatergoers on the edge of their seats for more than 30 years. When a young lawyer encounters a mysterious figure on the lonely, desolate estate he is charged to settle after the death of its owner, he believes his life has become cursed. To help him exorcise the dark specter from his life, he engages a skeptical actor to help him tell his terrifying story and together they unspool the mysteries hidden among the moors of the haunted estate.

Hailed by critics as "a white-knuckle thrill" (San Francisco Chronicle) and "Ingenious!" (New York Times) Center REP audiences will be lured into the pulse-pounding and spine-tingling ghostly world of their own imaginations... what happens next is something you must see to believe!

### **Lost In Yonkers - Sat 4/4/26 - 2:30 pm \$43.00 - Leshner Theater**

To celebrate the 35th Anniversary of the opening of Leshner Center for the Arts, Center REP is proud to present the 35th anniversary revival production of Neil Simon's Pulitzer Prize and Tony Award-winning heartfelt comedy.

This multi-award-winning memory play transports us to a small apartment above a candy store in Yonkers, NY in 1942. Financially strapped and needing to dig his family out of medical debt, Eddie must leave his two teen boys to live with his sister and mother while he takes to the road as a salesman. A strange new world opens up to the boys as they must navigate their estranged mafia-linked Uncle Louie and authoritarian Grandma Kurnitz (and her odorous mustard soup) while befriending their neurodiverse Aunt Bella, whose love and determination buoys the family against the headwinds of transformation.

*Lost In Yonkers won the Pulitzer Prize for Drama and the Tony Award for Best Play, among other accolades.*

Field Trip Report.

At 8:30 AM, a group of nine SIR birders met at the base of Vollmer Peak in the south end of Tilden Park to look at fall migrating birds. We were rewarded with 19 species of birds. Returning migrants included a fox Sparrow and three beautiful Townsend's Warblers. Some other highlights of the trip included a California Thrasher that magnificently posed for us, a Cooper's Hawk and fabulous views of the Briones and San Pablo Reservoirs, central Contra Costa County and views of Alameda and San Francisco counties

Our next field trip is scheduled for Wednesday morning on November 10<sup>th</sup>. If rain is forecast for the day, the trip could be moved up a day or two earlier in the week. If interested, please email Ted Robertson so you can be added to the monthly mailing list. I have a few loaner binoculars, and beginners are always welcomed.

## Nine Hole Golf Group

**Bob Ford**

Hi everyone. Come out and take advantage of the beautiful California fall weather. The course is in great shape from the rain we have had. Our group tees off at 9:30 am at the Diablo Hills Golf Course on every Thursday, except the second Thursday of the month when we go to the SIR luncheon. It is open to all, and you don't need to be a member of the NCGA or have a handicap to play. It takes us about two hours to play, then most of us also have lunch at the Greenery which is the restaurant at the course. On Fridays, I will send out an email asking who is coming for golf and if you plan to walk or ride. On Wednesdays I will send out an email with who signed up for Thursday morning. I hope to see you there!

## SongSirs

**Peter Plante**

The SongSirs performed our autumn program on October 3 at The Carlton Retirement Home on Broadway in Concord. We sang songs like "Moon River," "Goodnight, Sweetheart" and "Happy

Trails" to an enthusiastic audience. Several people sang along, and a good time was had by all.

Our next rehearsal is on November 5, 2025, at Walnut Creek Presbyterian Church at 1:30. The songs for the armed forces will be rehearsed in time for the veteran's day luncheon on November 13.

We are always looking for new members, so join us for a fun time and camaraderie. No auditions necessary, just a love of music and singing.

## AREA 16 Fishing Report Paul Dubow

Do any of you know what a bocaccio is? I certainly didn't. According to Wikipedia, it is a rockfish that is found in the northeast Pacific Ocean. It is also known as rock salmon, salmon grouper, or Pacific red snapper. The last description is usually found in local seafood restaurants.

In any event, I learned something new when **Ron Lew** caught a nice looking and nice sized one that is displayed on this page. We are also glad to see **Ron** back from his liver surgery.

Fishing in October is usually pretty light because the fish that hang around in the summer have largely departed and crab season hasn't

started. However, **Matt Richards, Brion Beetz, Dennis Lee, Shawn Kelly, and Carl Moyer** caught rockfish (other than bocaccio) and lingcod fishing from **Carl's** boat. After that, twelve of us had a Chinese lunch at Yan's in Walnut Creek with some of those rockfish. **Tom Kostik** enjoyed black bass fishing in the delta and trout at Pinecrest Reservoir.

Last year, **Rich Fiscina** left the Bay Area to build a riverside home in Port St. Lucie, Florida. He was looking forward to grouper and dolphin (mahi mahi) fishing. So far, the fishing has been sporadic and so **Rich** flew to Hawaii where he caught lots of ono.

Crab and rockfish combo fishing trips start November 1<sup>st</sup>, and we are eager to crack the tasty crustaceans.

Trout fishing usually starts in the late fall, but the mussel invasion has us shut out of our favorite ponds and so the future in that area may be problematic. But we are hoping.

Our next breakfast meeting is scheduled for November 20 at the Legends Bar and Grill at Diablo Creek Golf Course, 4050 Port Chicago Highway in Concord. Our usual gathering is on the fourth Thursday of the month, but in November and December, we meet on the third Thursday because of the holidays. The meeting begins at 8:30 am, but please join us for breakfast beginning at 7:30 am for camaraderie and fish stories, even if you have never fished or have not fished in a long time but are thinking about starting or renewing this activity.

## Photography Group

### John "Moose" Kelly and Henry Thatcher

Branch 146 photography members met on Friday, October 17<sup>th</sup> at the Walnut Creek Library in the Las Trampas Room. Those SIRs that attended are the following: **Bill Holly, Miker Rothman, Peter Plante, Phil Lee, Frank Terzuoli, Larry McAllister, Richard Pace, Bob Wilkenfeld, and Moose Kelly.** HUGE appreciation to **Phil Lee** for bringing donuts and—STOP the presses—Bagels!! **Moose Kelly** brought a gallon of Peet's coffee to wake up the gang. Also, a BIG thank you to **Miker Rothman** for being our computer jockey for the meeting.

The agenda was full with lots of active, spirited discussions. Some of the topics that were discussed:

- Apple 16 Pro Max Issues that arose on **Frank Terzuoli's** vacation. UGH!!
- Two underwater videos from Fiji displaying the marine diversity and health of the reefs - **Moose**
- Our theme this month is October means Autumn. There were a number of pictures from our members showing off their talents. E.G. - **Miker Rothman** capturing various wildlife from his back yard. **Peter Plante** taking mountain shots from traveling in Chile. **Frank Terzuoli** in demonstrating the same picture in color, then in black and white. **Don Casey** displaying pictures of Ashland and Applegate Valley with autumn in full stride. Some of these pictures are attached to this article for your viewing pleasure. ENJOY!!
- A seven-minute video on the similarities and differences of the I-Phone 17 Pro MAX vs. Pixel 10 Pro XL. The conclusion by the speaker was the phones are a personal preference of the individual. That conclusion has led to a shootout with **Bob Wilkenfeld** (I-Phone 17 Pro MAX) vs. **Moose Kelly** (Pixel 10 Pro XL) vs. **Richard Pace** (Samsung 25). We will show the results at our November Mtg.

Our next meeting will be on November 21<sup>st</sup> at the Walnut Creek Library in the Las Trampas Room at 9 AM. We will discuss the results of the camera phone shoot

out. Additionally, the members will be brainstorming topics, themes, and places for photo shooting the themes. The brainstorming session will lay the foundation to the Photography Group Calendar in 2026. **Henry** and I hope that all of our members are present to provide input for the 2026 calendar which is appreciated and valued.

If you are not on our email list and would like to join the Photography Group for one of our monthly photoshoots or just want to come to our meeting to see what the club is all about, then please contact **John "Moose" Kelly** or **Henry Thatcher**. We would be happy to send you the agenda.

## Hiking Ray Martz and Bob Wilkenfeld

The Las Trampas Regional Wilderness proved once again to be a tough slog for several of our hikers. The park's steep terrain and rutted trails often tire even the hardiest among

us. This was the case on September 29 when **Earl Bates, Cleo Bolen, Chris Duffek, Ray Martz and Gene Schulting** set out on the Ringtail Cat and Madrone Trails. The 4.8-mile outing, with almost 1100 feet of climbing, proved a challenge for our trek leader. But his fellow Sirs rose to the occasion and made sure he made it safely back to his car.

A short hike in Shell Ridge was in order the following week; and it attracted several members who haven't hiked with us in a while. **John Alexander, Mark Curtis, Ray Martz, Tom Lambert, Bob Mason, Roger Meyer, Jim Nelson, Gene Schulting, Frank Terzouli and Bob Wilkenfeld** completed the flat, 3-mile outing, which included the beautiful Indian Creek Trail. Our in-house docent, **Mark Curtis** explained several projects the City of Walnut Creek has planned and completed along the creek.

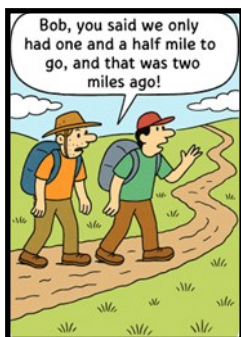

Rain washed out our planned hike in Fernandez Ranch on October 13, so we rescheduled to the following week. A map-reading error by our trek leader (Bob) forced us to backtrack and climb an additional 400 feet in under ¼-mile! But the guys took it in stride, and no one complained; such gentlemen! **Earl Bates, Cleo Bolen, Chris Duffek, Eric Finson, Tom Lambert, Bob Lucido, Carl Ludwig (Branch 8), Ray Martz, Roger Meyer and Bob Wilkenfeld** finished the 5-mile outing and climbed 1,200 feet in under 3 hours.

The hikes we plan are 4-7 miles in length with up to 1000 feet of climbing. We also

host a 3-4 mile flat walk each month on the 2<sup>nd</sup> Friday of each month (i.e., the morning following our Branch Luncheon). Advanced email notifications for each hike and walk describe the outing details, including starting point, route and difficulty. Spouses and guests are always welcome. Our canine friends will be allowed on leash if the hiking venue permits it. If you are interested in joining us, please let Bob know.

### Nick Jabuka

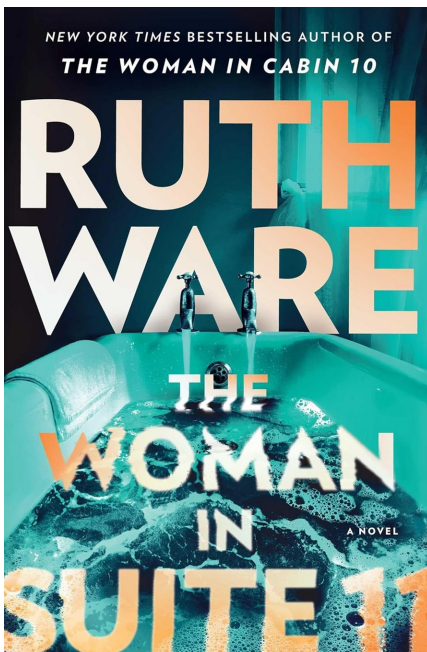

#### Book Club Review:

#### A Thriller in September and a Treat for October

Our book club had a lively meeting in September with eight members present. After catching up on the latest family news and Branch 146, we dove into a rich discussion about this month's book, "The Woman in Suite 11."

#### Our September Read:

#### "The Woman in Suite 11" by Ruth Ware

This thriller follows journalist Lo Blacklock as she attends the grand opening of a luxury hotel in Switzerland. Hoping to revive her career after a long absence, Lo plans to interview the hotel's reclusive billionaire owner. Her plans take a dark turn when a late-night summons leads her not to the billionaire, but to a mysterious woman in mortal danger. What follows is a tense cat-and-

mouse chase across Europe that explores the thin line between trust and deception.

The book is a direct sequel to Ware's earlier novel, "The Woman in Cabin 10," which proved to be an important detail in our discussion.

#### Our Verdict

While we enjoy a good thriller, our group did not give this book a strong recommendation. Most of us felt the story had a slow start and a contrived plot. The biggest criticism was that its story was too dependent on the previous novel, making it less satisfying as a standalone read. Our discussions are always honest, and we have a great time even when a book doesn't quite hit the mark!

#### Join Us for Our October Book!

Next month, we are excited to read "Table for Two" by Amor Towles. This book, featuring a collection of short stories set in New York and a novella in Los Angeles, comes highly anticipated. Our group has enjoyed other works by Towles, and his writing always sparks a great conversation.

If you enjoy reading and engaging in friendly, interesting discussions, we would love for you to join us! We welcome new members.

**Nick Jabuka, Chair — Mike Rothman, Editor**

Reading gives us someplace to go when we have to stay where we are.

## Gardening

### Ken Studer

Our Garden Club meeting this month was held at Our Garden in Walnut Creek. There we saw how they produce 8000 lbs of vegetables each year for the local food banks. Most of their secret to high yield vegetable production is from **Composting** and adding it to all the growing beds monthly. Master Gardener, Joie Spinelli, taught us how they process the green organic cuttings and combine it with dry fallen leaves to create compost every 6 weeks. 8 club members were there attesting to our growing club participation.

Our next meeting will be about **Integrated Pest Man-**

**agement** on Monday, November 17 at 3:00pm. We will learn about Good Bug—Bad Bug management. No meeting location yet.

All SIR members and spouses are welcome to tell your wives, as they are usually the home gardener.

## Cooking II Steve Ybarra

There were a total of four attendees at the Cooking II October 13, 2025 lunch. **Dennis Hallett** and **Steve Ybarra** were not able to attend. **Bill Holly** was invited as a guest, along with **Bruce Borgman**,

**Corrie Oranje** and **Richard Hockenbrock**. As customary, lunch started with hors d'oeuvre consisting of shrimp, cookies, nuts, crackers and an assortment of cheeses and meats. For the first course, our host **Richard**, served a bowl of broccoli cheddar soup followed by a fruit-based lettuce salad which included strawberries, pineapple, sliced apples, and mandarin oranges all bathed in poppy seed dressing. The main course was a pork chop encrusted with Shake & Bake bread coating. Scalloped potatoes balanced the meat which was served on delightful and colorful Fiesta Ware, which was in vogue more than thirty years ago. To end the meal, **Richard** provided a delicious German chocolate cake. Before everyone left, **Richard** offered up a taste of Remy Martin Cognac which he had stored away for more than thirty years. The next Cooking II lunch will be hosted by **Corrie Oranje** on November 10, 2025.

## Cooking Lunch and Wine Paul Dubow

## 寿司の友達 Sushi no Tomodachi

**Clint Collier**

Our October gathering saw seven SIR members, **Paul Dubow, Bruce Borgman, Russ Anderson, Bart Gledhill,**

**Fletcher Tyler, Walt Businiuss** and myself enjoying sushi and great conversation at Kana, a small restaurant in Walnut Creek located in the San Miguel shopping center at Newell and Broadway. Everyone was able to order individually here so everyone got exactly what they wanted and all of us were pleasantly surprised at the quality of the various sushi offerings! Great little sushi restaurant off the beaten track.

*"Now I get it! Apple picking is fun once you abandon childish dreams of life changing adventure and appreciate the subtle pleasure of driving two hours to do chores."*

This appears to be the last sushi restaurant in Walnut Creek; we have visited all of the others as far as we can tell, so we will start having to look further afield or... repeat. Lot of good ones so this will likely happen.

I am looking for a location for our December meeting.. it is always special with the holidays and the significant others and friends that we have join us for this special event. The chosen location will be in next month's issue. The consensus of the group was, however, to try to stay local.

How would you know? Do you even know what a carburetor is Loretta?

That doesn't matter, I'm sure there is water in the carburetor.

I doubt it, but I'll have a look. Where is the car?

It's in the swimming pool.

# MEXICAN TRAIN Dominoes

Group Uno 1

## Mexican Train Dominoes "Uno"

**Corrie Oranje**

Mexican Train Uno met at **Richard Hockenbrock's** home the second week in October to conclude the 2025 Games.

Due to travels, guests and "the Holidays", Mexican Train Uno is going into the maintenance yard early this year. After two months and lots of festivities, we should all be refreshed and ready to resume our monthly games, and we have even considered raising our ante to a greater entrance fee.

**Richard** got the entertaining part right, with lots of goodies to get us in the right mood. **Richard** came in first. His table (**Alicia, Martha and Sue O.**) played 12 hands, and he managed to go out 6 times! **Alicia** came in second, and went out 4 times. You can figure out from the stats that **Martha and Sue O.** didn't have a chance! The second table included **Virginia** (placing 3rd), **Corrie, Jim and Peter Plante**.

Happy, healthy and safe Holidays to all! We look forward to 2026!

Group Dos 2

## Mexican Train Dominoes "Dos"

**Ron Plachy**

We played at the home of home of **Clint and Bev Collier** in September. Due to the branch picnic we moved the date to Thursday

instead of our normal Friday. Unfortunately, due to a standard Thursday event, **Loren and Marlene DeLaurenti** had to miss. **Tony and Cindy Greco** were able to substitute...to Cindy's joy!

**Cindy Greco** took 1st with a very respectful 8.4 average. **Mary Holland** took 2nd with a 10.4 avg. **John Pearl** improved markedly from August moving from dead last to 3rd with a 16.3

Our next game is scheduled for Friday October 24th at the home of **Ron and Anne Plachy**.

## Mexican Train Dominoes "Tres" Walt Busenius

We last met on Friday afternoon, September 19<sup>th</sup> at the home of **Judy Richmond** in Walnut Creek, after the SIRcall was published. The Friday choo choo huffed and puffed its way through the hills and dales of Walnut Creek to **Judy's** house. Gathering around the table was **Walt** and **Sue Busenius**, **Lynn Shafer**, **Judy Richmond**, **Alicia Baily**, and **Linda Brown**. The group was spoiled with table treats and delicious half-time faire.

Bringing her best game to the table, including going out 4 times, was **Linda Brown** who dominated with a score of 13.9 ppg. There was another **Walt Busenius** photo opportunity, as he garnered 2<sup>nd</sup> place with a score of 20.7 ppg. **Judy Richmond** finished in the money once again, coming in 3<sup>rd</sup> place with a score of 20.9 ppg.

We had fun and very much enjoyed the afternoon. We

said our goodbyes, quietly boarded the ole choo choo train and followed the sun to our various destinations. We will meet next in November at **Sally and Lynn Shafer's** casa.

## Mexican Train Dominoes "Cuatro" Jim Pope

On October 17th, the El Quattro Mexican Train dominoes group met at **Jim and Renie Pope's** home with 10 players to play dominoes and to celebrate Halloween in costume (See Pix). **Ron Louis** and **Fran Matthews** won a prize for best costume and **Rich Price** won a prize for best mask. Each won a bag of Halloween candy and a \$5.00 Lotto ticket. See them in the picture all in costume. In attendance this evening were, **Dick and Christy DeVoe**, **Ron Louis** and **Fran Matthews**, **Rich and Kim Price**, **Steve and Susan Oki** and **Jim and Renie Pope**. The group enjoyed MTD while consuming the super snacks provided by several of the members and some wine. We played at two tables of 5. We paid the player at each table of 5 with low table score; 5 California Lotto Scratchers. The two with the lowest table scores were **Kim Price** and **Ron Louis**: There were two high score players at each

table: **Steve Oki** and **Dick DeVoe**. They received one Lotto ticket each. (see pictures). The El Quattro MTD group will combine November and December meetings in December, date to be determined. (Photos by **Jim Pope**)

We missed **Judy** and **Jim Baldrige**, **Ann** and **Jim Baldrige**, **Marty Campbell**, and **Janet Yolland** were unable to attend.

Our remaining seven members played on one table which worked out fine. Having to draw only ten tiles per player was new to many and proved to make the evening even more interesting.

After nine games, **Ann Hallett** emerged as a clear winner with a total score of 124. **Bob Yolland** and **Joan Pierce** were second and third with close scores of 181 and 182 respectively.

During our mid-game break, our hosts served Pumpkin Pie with Cream Frosting. Needless to say, the plates were sent back very clean!! We thank our

In second place was **Richard** with a score of 15.1 followed by **Martha** who came in third with 18.

Our next game will be played on November 5th and our hosts will be **Frank** and **Susan Terzuoli**.

**Dick and Christy DeVoe** hosted our October 7<sup>th</sup> event. We thank **Max and Ardith Hinkle** and **Steve and Sue Lofton** for subbing for **John and Kathy**

**Kluesener** and **Larry and Linda Brown**.

**Brad and Lynne Hatcher** consistently scored above average points for each round, taking the lead after round 2 and never looking back. The highlight of their evening was when they played the 1<sup>st</sup> round leaders in

round 2 and took the lead by doubling a 3 no-trump, down 4 for 800 points.

The official results are as follows:

- 1<sup>st</sup> PLACE with 3750 points—**Brad and Lynne Hatcher**

## Couples Duplicate Bridge 1

### John Kluesener

Couples Duplicate Bridge 1 group met at the Ahlf residence this week and enjoyed an evening of good fellowship and cards. The hosts, **Rich** and **Ismini** provided treats and drinks for the crew along with a nice warm fireplace to take the chill out of the damp, cool evening. **Bud Pearce** stood in for **Margot Somerville** and **Sue** and **Steve Loftin** were also our guest players for the evening. A decision was made by vote to change the start time from 7:00 pm to 4:30 pm for the convenience of the group. **Bud Pearce** and **Marilyn Miller** who took third place for the evening with a score of 20 points followed by **Mike** and **Nora Davidson's** second place finish with 24.5 points and **Cristy** and **Dick DeVoe's** finish with 25 points. ## Tuesday Golf

### Ed Marlovits

On October 7 **Dave Steinberg** hosted Tuesday Golf's annual meeting at the newly redesigned Poppy Ridge Golf Course in Livermore. Forty-three golfers, including three

SIRs who normally only play Thursdays, attended for nine fun holes on the new executive course followed by a buffet lunch. The course was new to us, but only one foursome got lost during play. After lunch the head pro spoke to our group and described the recent course redesign and renovations, estimating that the NCGA invested \$20 million on the project.

A recent survey found that 90% of bald men still carried a comb.

Turns out they just can part with it.

## Couples Duplicate Bridge 2 Dave Pierce

Brad and Lynne Hatcher hosted us on October 14<sup>th</sup>, and we all crowded around their snacks and beverage counter for much of the evening. We

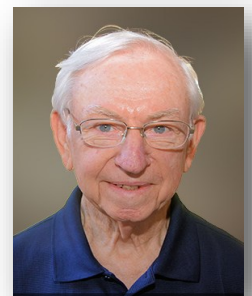

are ever so grateful to subs **Max and Ardith Hinkle**, filling in for **Ken and Elaine Richter** who are now happily settled in Southern California, and **Penny Gray**, playing for **Margot Somerville** with **Marilyn Miller**.

No slams were bid, but **Marilyn and Penny** bid four and made six on Board 5, as did **Joan and Dave Pierce**. But **Brad and Lynne** bid 3 NT and made six, for a top. On Board 7, **Max and Ardith**, **Cindy and Tony Greco**, and **Marilyn and Penny** bid four and made 7. And on Board 9, **Marilyn and Penny** bid four and made six, as did **Joan and Dave**. So, opportunities existed. On the other hand, some of those overtricks resulted from unusually good fits or good side suits. Perhaps others would have scored better if a family of deer had not strolled through the **Hatchers'** backyard during the bidding and play.

At the end of an enjoyable evening, **Cindy and Tony** and **Dick and Christy** tied for second (50%) while **Joan and Dave** were first (69%).

## Poker Group 4

Our October game was at the home of **Dean Burke**. We only had 7 of our regulars plus a friend of Dean's from another SIRS group joined bringing us to 8. With 8 players we were limited in the assortment of games to play, but we had a fun time with some new ones. We had no big winners this month, but the honor of top winner was **Frank Lucas**.

Games are usually scheduled for 1-4 pm on the 3rd Monday of each month. Hosting is rotated between members' homes. The host provides light snacks and beverages.

Buy-in is \$10 and stakes are nickel, dime, and quarter with a limit of three raises.

Dealer antes a nickel per player.

A wide variety of poker games are played. Dealers' choice.

We are currently full.

## Old Money Poker Group 6

**Brad Hatcher**

Our scheduled host, **Bruce Kimmis**, was out of the hospital one day, before our regular first Thursday of the month game.

**Frank Lucas** generously agreed to hoist at the last minute. He was also generous with snacks and wine. THANK YOU, FRANK!

Happily, **Bruce** was able to attend along with **Rich Ahlf**, **Steve Ybarra**, **Paul Dubow**, **Melo Piccolo**, and **Brad Hatcher**. There were three notable hands. **Brad** pulled 5 Kings in a 7 card stud "follow the queen" game and split the pot with the low hand. Without a doubt, the biggest money hand of the day with a split pot went to the "unsick" **Bruce** who won with a straight flush beating **Steve** who also had a (lower scoring) straight flush. This reporter was so astonished, he does not remember who split the pot for low.

**Bruce** promises to be well when he hosts the next game in November.

# Parting Shot

In November 1621, after the Pilgrims' first corn harvest proved successful, Governor William Bradford organized a celebratory feast and invited a group of the fledgling colony's Native American allies, including the Wampanoag chief Massasoit. Now remembered as America's "first Thanksgiving"—although the Pilgrims themselves may not have used the term at the time—the festival lasted for three days. While no record exists of the first Thanksgiving's exact menu, much of what we know about what happened at the first Thanksgiving comes from Pilgrim chronicler Edward Winslow, who wrote:

Historians have suggested that many of the dishes were likely prepared using traditional Native American spices and cooking methods. Because the Pilgrims had no oven and the Mayflower's sugar supply had dwindled by the fall of 1621, the meal did not feature pies, cakes or other desserts, which have become a hallmark of contemporary celebrations

Pilgrims held their second Thanksgiving celebration in 1623 to mark the end of a long drought that had threatened the year's harvest and prompted Governor Bradford to call for a religious fast. Days of fasting and thanksgiving on an annual or occasional basis became common practice in other New England settlements as well.

During the American Revolution, the Continental Congress designated one or more days of thanksgiving a year, and in 1789 George Washington issued the first Thanksgiving proclamation by the national government of the United States; in it, he called upon Americans to express their gratitude for the happy conclusion to the country's war of independence and the successful ratification of the U.S. Constitution. His successors, John Adams and James Madison also designated days of thanks during their presidencies.

In 1817, New York became the first of several states to officially adopt an annual Thanksgiving holiday; each celebrated it on a different day, however, and the American South remained largely unfamiliar with the tradition.

Early Puritans observed Thanksgiving days of prayer, but Sarah Josepha Hale's crusade for a national day of thanks is what ultimately gave us Thanksgiving.

In 1827, the noted magazine editor and prolific writer Sarah Josepha Hale—author, among countless other things, of the nursery rhyme "Mary Had a Little Lamb"—launched a campaign to establish Thanksgiving as a national holiday. For 36 years, she published numerous editorials and sent scores of letters to governors, senators, presidents and other politicians, earning her the nickname the "Mother of Thanksgiving."

Abraham Lincoln finally heeded her request in 1863, at the height of the Civil War, in a proclamation entreating all Americans to ask God to "commend to his tender care all those who have become widows, orphans, mourners or sufferers in the lamentable civil strife" and to "heal the wounds of the nation."

He scheduled Thanksgiving for the final Thursday in November, and it was celebrated on that day every year until 1939 when Franklin D. Roosevelt moved the holiday up a week in an attempt to spur retail sales during the Great Depression. Roosevelt's plan, known derisively as Franksgiving, was met with passionate opposition, and in 1941 the president reluctantly signed a bill making Thanksgiving the fourth Thursday in November.

In many American households, the Thanksgiving celebration has lost much of its original religious significance; instead, it now centers on cooking and sharing a bountiful meal with family and friends. Turkey, a Thanksgiving staple so ubiquitous it has become all but synonymous with the holiday, may or may not have been on offer when the Pilgrims hosted the inaugural feast in 1621.

Today, however, nearly 90 percent of Americans eat the bird—whether roasted, baked or deep-fried—on Thanksgiving, according to the National Turkey Federation. Other traditional foods include stuffing, mashed potatoes, cranberry sauce and pumpkin pie. Volunteering is a common Thanksgiving Day activity, and communities often hold food drives and host free dinners for the less fortunate.
